

Child Care Receipt

Below is a form for reporting Child Care costs. All child care costs **must be approved** by your Employment Ontario Service Provider prior to completing this form.

This form can be used if you have to pay for child care (e.g. Licensed Child Care, the Extended Day Program, or unlicensed child care) because you are working, participating in a training program, or participating in an employment-related activity. This form should only be used to claim costs if you are **unable to obtain an original receipt**.

- If you are using more than one child care provider, please complete a separate form for each provider.
